

FOR IMMEDIATE RELEASE

March 9, 2022

UPDATED 1:00 PM

**ALABASTER WATER BOARD
BOIL WATER NOTICE RESCINDED
EFFECTIVE IMMEDIATELY**

Alabaster, AL – Effective at 1:00 PM on March 9th, the Alabaster Water Board rescinded the boil water notice issued March 7th for a portion of Alabaster.

Bacteriologic test results were received at approximately 12:55 PM today from the State lab. The bacteriological test results were absent of coliform bacteria.

Water in all portions of the Alabaster Water Board system is safe to drink and to use for all daily purposes including food preparation, dish washing, ice and brushing of teeth.
